## **The XQ Learner Goals**

## Step 1 - Research

Review the XQ Learner Goals with your team.

Break into five groups and assign each group a Learner Goal. Ask: Why is that goal especially important for young people's future? How does it connect with other goals? Spend 10-15 minutes developing your argument.

## Step 2 - Reflect

Now come back together and invite each group to make their case. Why is your Learner Goal the most important? Be persuasive and passionate! What are the most compelling points about each Learner Goal?

Ask yourselves, what learning experiences can we create that will enable students to grow as XQ Learners? Be sure to note your answers.
