Capstone Activity XQ

Design

Our Core Design

Step 1 - Brainstorm

Complete the sentences below to articulate your team's thinking. Probe for areas where you don't fully agree, as well as areas of consensus. Use sticky notes to capture ideas large and small, and encourage everyone to contribute.

Step 2 - Summarize

Look back at your earlier Capstone Activity answers—both your original school concept and your case for change. Has your thinking evolved since you wrote those? If so, how and why?

The Elements of Our School Design	
	What? How?
Our students will experience their school as a place where	
We believe that students learn best when	
Every student will exercise voice and choice through	
Robust community partnerships will give every student opportunities to	

Our Core Design

The elements of our school design and how they will come together-
